Trip Details

DAY 1: PANORAMA CRUISE AND LAND EXCURSION [L/D]

Our classic route. After the transfer from **Saigon** to **Can Tho** or **Cai Be** we receive you with a refreshing welcome drink and show you our on-board facilities and your cosy cabin. While you enjoy lunch, the boat starts cruising. Sit back and watch the fantastic scenery and the daily life of the Mekong people.

In the afternoon we show you typical Mekong Delta sceneries on a guided leisurely stroll through a village and the surrounding fruit orchards or rice fields. Meet the friendly locals and taste the local produce and fruits.

Get back on board and enjoy a drink at the bar or relax on deck as the sun sets over the magnificent water landscape of the Mekong River. The cruise boat will anchor for the night. The day ends with a delicious on-board dinner. You stay overnight on board on your comfortable river cruiser.

DAY 2: SUNRISE CRUISE [B/L]

On **day 2** the cruise vessel sets off at 6.30h for a sunrise cruise. Watch the locals go about their daily work drying exotic fruits or building wooden ships on the yards while enjoying an early breakfast.

After breakfast, we explore the canals of the Mekong Delta around Cai Be with a small sampan or by foot / in Can Tho we visit the floating market of Cai Rang. After the excursion it is time to start the journey back to Saigon. From Cai Be we travel by road transfer back to Saigon. In Vinh Long you say good by to the Mekong Delta with a lunch break offering typical Mekong Delta dishes.

If you like to visit one of the floating markets in the Mekong Delta please inform us upon booking as this has to be reflected in the routing.

The floating markets in the Mekong Delta are no tourist markets but wholesale markets where produce of the Mekong Delta like fruits and vegetables are traded. For this reason the number of boats on the market fluctuates depending on harvesting seasons and market demand. Furthermore, modern wholesale markets are becoming more popular in Vietnam. This can result in decreasing numbers of boats being present on the markets.
